You can start your own club!

ATHLETICS

Academy High is a proud member of the Illinois High School Association and offers Varsity Cross Country, Track and Field, and Golf. Additional individual varsity sports are possible based on student interest, including swimming and tennis. Academy High's athletic program includes opportunities to participate in local youth rec league teams which help expose our students to other students in our community. Academy High plays co-ed rec volleyball and indoor soccer and will expand its offerings based on student interest.

UNIQUE ATMOSPHERE

A school day at Academy High is unlike any other! Students have the time and space to study, create, follow their passions, socialize, and, importantly, make friends for life.
