

# PREPARING FOR COLLEGE WITH ACADEMY HIGH

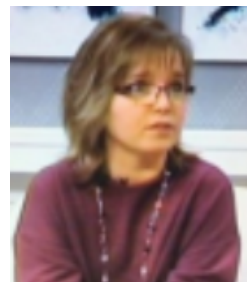

## COLLEGE PLANNING BEGINS THE DAY YOU ENTER ACADEMY HIGH!

**Through curricular and co-curricular activities, your AH experience will prepare you for college and beyond. With AH faculty by your side in a student-centered approach, students will:**

- Complete college preparatory courses.
- Participate in self-assessment and student-led conferences.
- Experience project-based learning to foster essential skills.
- Prepare for standardized tests with exercises imbedded into the Math & English curriculum.
- Engage in community outreach activities and internships – gaining hands-on learning experiences.
- Participate in daily Health & Wellness -- through instruction and mindfulness practice.
- Learn about possible careers through our “Career Exploration” program.
- Talk with various professionals across different industries during our “Lunch & Learn” meetings.
- Gain leadership skills through student-led clubs and organizations.
- Write personal statements in English class.

**College Preparation for students includes parents and guardians at every stage.**
