

Sample Student Recommendation Form

This document is meant to serve as a frame of reference for prospective families as they prepare their application materials. Prospective families are asked to share contact information for at least two adults who know their student well as part of their application. Academy High then reaches out directly to connect recommenders with an online form that includes the following information. The form itself is designed to be completed in less than 15 minutes.

Recommender Information

First Name

Last Name

Email

Position / Job Title

Employer

In What Capacity Have You Known This Student? For How Long?
